## Burford Collection

The Burford Collection features classic outdoor furniture crafted from solid Acacia wood with an attractive oiled finish. The range of chairs, tables, table tops, and dining sets will bring the natural warmth and beauty of solid wood to any outdoor dining area, conservatory, or patio.

Designed for style and comfort, the Burford Collection is strong, durable, and great value. If maintained correctly the furniture will last for years, making it a great long-term investment.

### DID YOU KNOW?

Acacia wood is one of the hardest woods available, perfect for outdoor commercial furniture.

### FEATURE:

The wood's attractive oiled finish offers protection from the elements. Re-oil the furniture regularly to increase its longevity.

## Burford Slatted Table Tops

If you want to add Burford style to existing table bases, you can choose from our new range of slatted table tops.

Crafted from the same beautiful Acacia wood as the rest of the collection, the tops feature rounded corners and an attractive oiled finish.

Available in a variety of shapes and sizes

Rectangular Table Top

## Burford Complete Tables

We've also got a range of complete tables, pairing Burford Table Tops with durable, powder-coated steel Bison Bases.

Smooth, even slats for table top stability
